The Helm Academy yearly calendar has been developed based on the Leeds Local authority published school dates, however, please see below for variations.

The length of the day gives 34.5 hours of education per week

Children are required to attend school for a minimum of 32.5 hours per week, or 1267.5 hours per year

The extra 2 hour per week equates to 36.7 week per year, which in turn allows for an extra 2 weeks and two days holiday in the academic year, whilst still allowing the children to attend school for the same number of hours across the year.
